Ok. No, no reason to talk on Monday. Go, enjoy your day off.

I'm home today – it's my flex day.

No, I don't think we're going to get anything early, but I think that's ok. I'm off Monday morning, then working from home starting around 12:30. Do you want to talk before the 1:00, let me know!

So no early comment as we discussed? Is that no longer a priority? Where are you? Flying?

I am coming in on Monday.

He said he hopes to get us something in draft in the next two weeks.
